2. We will NOT advise you on the merits or suitability of any Transaction and/or Contracts entered into pursuant to these Terms and Conditions, nor will we manage or monitor your investments. You acknowledge that our execution of any Order on your behalf does not in any way imply that we have approved or recommended that Transaction or investment. For your information, we have set out various risk disclosures on our Online Trading Facility.
3. Unless expressly determined and stated "*in the terms agreed upon by mutual consent of the Parties*", all Transactions and/or Contracts we enter into with you or execute on your behalf will be placed and executed in accordance with the terms of our Order Execution Policy (as amended or extended from time to time) full details of which are available on our Online Trading Facility ("**Order Execution Policy**"). Our Order Execution Policy is part of these Terms and Conditions and is incorporated herein by reference, shall be applicable to all Transactions and Contracts entered into by and between you and us, to the extent that it does not impose and/or does not seek to impose any obligations on us which we would not otherwise have, but for the Applicable Laws and Regulations.

## Prices and Open Positions

1. We will provide you with "**bid**" and "**ask**" prices ("**Price Quote(s)**") in respect of Supported Securities through our Online Trading Facility or, in those instances where we have agreed to do so, through our Dealing department. The Price Quotes that we quote are determined by us and usually represent a mark-up or mark-down on inter-bank dealing rates. Our fees and charges are set out on our Online Trading Facility. Each price published shall be valid until the earlier of its expiration time and the time, if any, at which it is otherwise withdrawn by us.
2. Each Price Quote shall be available for use in a dealing instruction for a Transaction and/or Contract with a principal amount not to exceed a maximum leverage amount, determined by us, published on our Online Trading Facility or otherwise notified to you ("**Leverage**"). We may in our absolute discretion and without prior notice to you, immediately alter, withdraw or refuse to deal on any Price Quote we may have published or cease the provision of Price Quotes altogether in some or all Supported Securities and for some or all value dates at any time and without any obligation or our end to provide any explanation and/or justification.
3. Unless expressly determined and stated "*in the terms agreed upon by mutual consent of the Parties*", our Services are restricted to executing Transactions and/or Contracts in Supported Securities via our Online Trading Facility, at the Price Quotes displayed on our Online Trading Facility or otherwise communicated to you at your request.

## Instructions and Basis of Dealing

1. **Placing of instructions:** Unless expressly agreed upon otherwise, by us all dealing instructions must be given to us electronically via our Online Trading Facility, although we may at our sole discretion accept instructions from you in writing (including fax), by e-mail or other electronic means, or orally (including by telephone through our dealing department at the designated phone number specified on our Online Trading Facility or as otherwise notified to you in writing, unless we tell you that instructions can only be given in a particular way. We may, in our absolute discretion, require confirmation (in such form as we may specify) of any dealing instruction, as appropriate. If you give instructions by telephone, your conversation may be recorded. We shall be authorised to follow instructions notwithstanding your failure to confirm them in writing. Instructions for the simultaneous entering into a Contract for the purchase and a Contract for the sale of a certain Financial Instrument on behalf of the same beneficial owner may **NOT** be given under this Agreement. A dealing instruction or Order given by you to us shall not take effect until it is actually received by us. In this Agreement, unless the context requires otherwise, instructions and orders shall have the same meaning.
2. **Right not to accept Instructions/Orders:** We may (but shall not in any circumstances be obliged to) accept instructions to enter into a Transaction and/or Contract. We may at our absolute discretion refuse to accept any dealing instruction given by you or on your behalf, in whole or in part, and refuse to act on it, without giving any reason or being liable for any loss occurred thereby. In addition, a dealing instruction which, for any reason, is not received by us in a manner in which it can be processed, including a failure of our Online

Trading Facility to accept or process such instruction, shall be deemed not to have been received by us.

We reserve the right to refuse to enter into any Transaction and/or Contract. Such situations include but are not limited to, when:

- a) trades are placed outside of the market hours;
  - b) trades are individually or in the aggregate larger than the maximum quantity or smaller than the minimum quantity we set for the market;
  - c) your margin is insufficient to fund the proposed Transaction and/or Contract;
  - d) our Price or the Transaction and/or Contract derives from a Manifest Error;
  - e) we believe the Transaction and/or Contract would be in breach of this Agreement or any legal or regulatory requirement applicable to you or us.
3. **Binding Effect:** Confirmation of a dealing instruction by us shall constitute a binding agreement between us on the terms of such instruction. The procedure for entering dealing instructions is specified on our Online Trading Facility in the online trading section.
  4. **Cancellation/withdrawal of instructions:** We can only cancel your instructions if we have not acted upon those instructions. Once an instruction has been given by you or on your behalf, it cannot be rescinded, withdrawn or amended without our express prior written consent.
  5. **Control of Orders prior to execution:** We have the right (but no obligation) to set limits and/or parameters to control your ability to place Orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation): (i) controls over maximum Order amounts and maximum Order sizes; (ii) controls over our total exposure to you; (iii) controls over prices at which Orders may be submitted (to include (without limitation) controls over Orders which are at a price which differs greatly from the Market Price at the time the Order is submitted; (iv) controls over our Electronic Services (to include (without limitation) any verification procedures to ensure that any particular Order has come from you); or (v) any other limits, parameters or controls which we may be required to implement in accordance with Applicable Laws, Rules and/or Regulations.

The Company has the right to amend and/or cancel any Orders which have been executed within a very small timeframe and the cumulative sizes of those Orders exceed the maximum allowable Order size limit (i.e. a Client may place five orders within two seconds which individually are all below the maximum allowable Order size limit but exceed the limit on a cumulative basis).

6. **Order Execution Policy:** We shall use our reasonable endeavours to execute any Order promptly, but in accepting your Orders we do not represent or warrant that it will be possible to execute such Order or that execution will be possible according to your instructions. In general, we shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act in accordance with our Order Execution Policy. If, after instructions are received, we believe that it is not reasonably practicable to act upon such instructions within a reasonable time, we may defer acting upon those instructions until it is, in our reasonable opinion, practicable to do so, or we may notify you that we are refusing to act upon such instructions. We shall not be liable for any losses resulting from such deferral or refusal. If we encounter any material difficulty relevant to the proper carrying out of an Order on your behalf we shall notify you promptly. We shall carry out an Order on your behalf only when the relevant Market is open for dealings, and we shall deal with any instructions received outside Market hours as soon as possible when that relevant Market is next open for business (in accordance with the rules of that Market). You agree that we may execute an Order on your behalf outside a Market. When you give us a specific instruction, our Order Execution Policy may not apply, and we may be unable to take the steps described in such policy to obtain the best possible result in executing your Order. You confirm that you have read and agree to our Order Execution Policy as published from time to time on our Online Trading Facility. We will notify you of any material changes to our Order Execution Policy, but it is your responsibility to check for any other changes to our Order Execution Policy as published from time to time on our Online Trading Facility. We will consider the continued placement of Orders by you to constitute your continued consent to our Order Execution Policy as in effect from time to time.
7. **Crossing of Orders:** We may arrange for a Transaction and/or Contract to be executed, either in whole or in part, by selling an investment to you from another client, or a client of an Affiliate of ours, or vice-versa. We shall not give you prior notice if we arrange for a Transaction and/or Contract to be executed in this manner.
8. **Aggregation and Split of Orders:** We are entitled, in our absolute discretion, to combine and/or aggregate your Orders with our own Orders and/or with Orders of any of our Associates and/or Persons connected with us, including employees and/or other clients. Furthermore, we may split your Orders when executing them. Orders will only be aggregated or split, however, if we reasonably believe it to be in your best interest. On some occasions, however, aggregation and split of your Order may result in you obtaining a less favourable price in relation to a particular Order, than if your Orders had been executed, respectively, separately or mutually.
9. **Confirmation of instructions:** We may (but shall not in any circumstances be obliged) to require confirmation of any instruction in such form as we may reasonably request if it appears to us that such confirmation is necessary or desirable; or such instruction is to close an Account or remit money due to you. It is your responsibility to inform us of any change to your e-mail address, the non-receipt of a confirmation, or whether any confirmations are incorrect, before settlement.

10. **Performance and Settlement:** You will promptly deliver any instructions, money, documents or property, which we may require from you or which is deliverable by you under a Transaction and/or Contract in accordance with that Transaction and/or Contract, as modified by any instructions given by us, for the purpose of enabling us to perform our obligations under the relevant matching Transaction and/or Contract on a Market or with an intermediate broker. If you do not provide us with such instructions promptly, we may, at our absolute discretion, take such steps at your cost, as we consider appropriate for our own protection or for your protection. This provision is similarly applicable in situations when we are unable to obtain contact with you.
11. **Intermediate Brokers and other Agents:** We may, at our entire discretion, arrange for any Transaction to be effected with or through the agency of an intermediate broker, who may be an Associate of ours, and may or may not be in Belize. Neither we, nor our respective directors, officers, employees or agents, will be liable to you for any act or omission of such an intermediate broker or agent. No responsibility will be accepted for intermediate brokers or agents selected by you.
12. **Position Limits:** We may, in our absolute discretion, require you to limit the number of open positions which you may have with us at any time and/or only allow you to enter into closing transactions or we may close out any one or more positions or reverse Transactions and/or Contracts in order to ensure that the position limits we have imposed are maintained.
13. **Fluctuations in Exchange Rates:** If you enter into any Transaction and/or Contract, any profit or loss arising as a result of a fluctuation in the exchange rate affecting such Transaction and/or Contract will be entirely for your account and risk.
14. **Trade Reporting:** Under Applicable Laws, Rules and/or Regulations we may be obliged to make information about certain Transactions and/or Contracts public. You agree and acknowledge that any and all proprietary rights in such Transaction and/or Contract information are owned by us and you waive any duty of confidentiality attaching to the information which we reasonably disclose.
15. **Rollover:** If we do not receive instructions from you to settle any open Transactions and/or Contracts by the close of the Business Day, we are hereby authorized (but not obliged) to transfer all said Contracts to the next business date traded ("**Rollover**"), as provided in further detail in clause 39 hereinafter.

## Electronic Trading Terms

1. **Settlement/Trade Confirmation:** You acknowledge the electronic nature of our Services via our Online Trading Facility and the inherent risk that communications by electronic means may not reach their intended destination or may do so much later than intended for reasons outside our control. Accordingly, any instruction sent by you or on your behalf via our Online Trading Facility or by e-mail shall only be deemed to have been received and shall only then constitute a valid instruction and/or binding Contract between you and us, when such instruction has been recorded as executed by us and confirmed by us to you through a Settlement/Trade Confirmation, and the mere transmission of an instruction by you or on your behalf shall not by itself constitute a binding Contract between you and us.
2. **Communications via the Internet:** Since we do not control signal power, its reception or routing via Internet or any other means of electronic communication, configuration of our clients' equipment or reliability

You will be solely responsible for all Orders, and for the accuracy of all information, sent via the Internet using your Access Codes. In the event that an erroneous price is used as the basis of any transaction, we reserve the right, at our sole discretion, to amend or revoke the details of the Transaction(s) and/or Contract(s) in question.
6. **Restrictions on Services Provided:** There may be restrictions on the total value and/or number of Transactions and/or Contracts that you can enter into on any one day and also in terms of the total value and/or number of those Transactions and/or Contracts when using our Online Trading Facility.

You acknowledge that you shall not be entitled to the execution of a Transaction and/or Contract and shall not be entitled to send a Deal Request to us via our Online Trading Facility, in response to a Price Quote, unless such Price Quote indicates that it is a Dealable Quote.

2. Upon receipt of a Deal Request from you via our Online Trading Facility, we shall issue a Deal Response to you via our Online Trading Facility. The Deal Response will indicate whether your Deal Request was accepted or not.
3. Notwithstanding anything to the contrary in this Agreement, you acknowledge and agree that we shall not be under any obligation to provide a Deal Response to you to the extent that a Credit Limitation exists with respect to your Account. We acknowledge and agree to disclose any such Credit Limitations to you.
4. ## Trade Confirmations and Account Statements

**Electronic Settlement/Trade Confirmations:** Following the execution of a dealing instruction for your Account, we will confirm that Transaction and/or Contract as soon as we reasonably can by posting a trade confirmation (“**Settlement/Trade Confirmation**”) on our Online Trading Facility, but failure to do so will not affect the validity of the transaction. Settlement/Trade Confirmations will normally be available instantly following the execution of the Transaction via our Online Trading Facility. Confirmations shall be deemed to be conclusive and binding on you if not objected to immediately upon receipt with such objection confirmed in writing (including e-mail or electronic mail) no later than close of business on the business day (being a day, other than a Saturday, Sunday or public holiday, when banks in Belize are open for business) (a “**Business Day**”) following the day on which the Settlement/Trade Confirmation is posted on our Online Trading Facility. In the event that you believe to have entered into a Transaction or Contract, which should have produced a Settlement/Trade Confirmation or otherwise a posting on your Account, but you have not received such confirmation, you must inform us immediately when you ought to have received such confirmation. In the absence of such information, the Transaction and/or Contract may, at our reasonable discretion, be deemed to be non-existent.

**Reports of Account Activity:** We will post details of your Account activity on our Online Trading Facility and you will be able to generate daily and monthly of your Account activity as well as a report of each executed Transaction and/or Contract. Updated Account information normally will be updated periodically during our Dealing Hours and will in any event be available no more than twenty-four (24) hours after any activity takes place on your Account. Posting of Account Information (as defined below) via our Online Trading Facility will be deemed delivery of Settlement/Trade Confirmations and Account statements. We may in our absolute

Unless otherwise determined and stated "*in the terms agreed upon by mutual consent of the Parties*", you agree that we are under no obligation to provide confirmations in hard copy or by e-mail rather than through our Online Trading Facility. ## Consent to Receive Electronic Transmission of Trade Confirmations and Account Statements

1. You consent to receive all Account information and Settlement/Trade Confirmations via the Internet and that Orders or instructions given to you via e-mail or other electronic means will constitute evidence of the Orders or instructions given. You will be able to access all your Account information via our Online Trading Facility using your own Access Codes. You will have access via our Online Trading Facility to customizable statements that will allow you the ability to view, individual Transactions and/or Contracts, daily, weekly, and monthly reports and trade information. The updated Account information normally will be updated periodically during our Dealing Hours and will in any event be available no more than twenty-four (24) hours after activity is generated in your Account.
2. The posting of these activities will be deemed delivery of Settlement/Trade Confirmation and Account activity statements. The information will include Settlement/Trade Confirmations with ticket numbers, buy and sale rates, transaction amount, statements of profit and loss, current open positions as well as pending Orders.
3. If you no longer wish to communicate via electronic media, you must notify us and revoke this consent in writing. If you do not wish to communicate via electronic media at all, you must inform us of your wishes when applying to open an Account with us. However, if you revoke your consent, your access to our Online Trading Facility may be restricted or terminated, at our sole discretion.

Furthermore, you hereby waive any rights or requirements under any Applicable Laws, Rules and/or Regulations in any jurisdiction which require an original (non-electronic) signature or delivery or retention of non-electronic records, to the extent permitted under applicable mandatory law.

## Recording of Telephone Conversations, Internet Conversations (Chat), and Meetings

1. Your telephone conversations, Electronic Messaging, e-mails, internet conversations (chat), meetings and other communications with us may be recorded/maintained by us. Any recordings shall be and shall remain our sole property and will be accepted by you as conclusive evidence of their content as recorded by us. You agree that we may deliver copies of transcripts of such recordings to any court, regulatory or government authority, including without limitation, in disputes which may arise between you and us.
2. However, technical reasons may prevent us from recording a conversation, and recordings or transcripts made by us will be destroyed in accordance with our normal practice. Consequently, you should not rely on such recordings to be available.

## Rollover and Offset Instructions

1. Rollover is the process of extending the settlement date of an open position (*i.e.* date by which an executed trade must be settled). The forex market allows two business days for settling all spot trades, which implies the physical delivery of currencies. In margin trading, however, there is no physical delivery, so all open positions must be closed daily at end-of-day (22:00 GMT) and re-opened on the following trading day. This pushes out the settlement by one more trading day. This strategy is called rollover.
2. Rollover is agreed on through a swap contract which comes at a cost or at a gain for traders. We do not close and re-open positions but will charge you a fee in respect of each such position and debit/credit your trading Account(s) for positions held open overnight, depending on the current interest rates (LIBOR/LIBID with added mark-up) ("Rollover Fee"). As 2:00 GMT is considered to be the beginning and the end of a forex trading day, any positions which are still open at 22:00 GMT sharp are subject to rollover and will be held overnight. Positions opened at 22:01 are not subject to rollover until the next day, but if you open a position at 21:59, a rollover will take place at 22:00 GMT. For each position open at 22:00 a credit or debit appears on your account within 1 hour and will be directly applied to your equity account.

3. The Rollover Fees that we charge will be published on our Online Trading Facility. We shall attempt to collect such Rollover Fees from the free balance in your Account with us. In the event that we are unable to collect such Rollover Fee(s) from the free balance in your Account with us, we reserve the right to close part, or all, of your open positions as per our Order Execution Policy. You shall be liable for promptly paying all Rollover Fees(s), even if all Margin previously deposited by you has been lost.
4. In the absence of clear and timely instructions from you, we are authorised, at our absolute discretion, to offset all or any portion of the positions in your Account(s) or to make or receive delivery on your behalf upon such terms and by such methods deemed reasonable by us.

## Corporate Events and Actions

1. In the case where an Instrument becomes subject to a corporate event as set out below, the Company will carry out the appropriate actions to adjust your trading account for the effect of the event on your position, preserving the economic equivalent of the rights and obligations attached to your Transaction and/or Contract with the Company, on the ex-date of the event (i.e., the day the affected Instrument's price will incorporate the effect of the event). Subject to this sub-clause, the Company shall take the following actions:
  - a) Adjust the size and/or value and/or number of Orders as deemed appropriate, with the aim to preserve, to the greatest extent possible, the economic equivalent of your open positions;
  - b) Endeavour to communicate the upcoming events and actions through any durable medium, including but not limited to the Company's website;
  - c) Where you have a Pending Order or a Stop Loss and/or a Take Profit attached to your Orders, the Company aims to preserve, to the greatest extent possible, the equivalent of the rights and obligations of your Transaction and/or Contract immediately prior to the corporate event taking place;
  - d) If a corporate event, such as a reverse stock split, results in share ownership below the minimum allowed by our systems, these positions will be rounded down to the nearest allowed trade size, with any value not captured by the position adjustment being reflected as a cash adjustment to your trading account.

Different actions may be followed by the Company in case you owned the underlying Instrument; however, the Company will endeavor to preserve economic equivalence to the greatest extent possible.

2. Corporate events shall include the following:

- (a) Distribution, by the issuer to the shareholders of the underlying Instrument, of additional shares, other share capital, warrants or rights granting dividends that result in a dilutive effect on the market value;
- (b) Stock splits and reverse stock splits that result in a change in the number of shares owned and the share price. A split is a corporate event whereby a firm multiplies the number of existing shares by a certain ratio, e.g. 1:2 (this indicates that every existing share will translate into two shares). In the 1:2 case, the shareholders' shares will double, but given the firm's market capitalization will remain unchanged, the stock price will halve, maintaining economic equivalence; It should be noted that under such an event your positions may be consolidated into a single entry on the terminal which will of course capture the effect of the corporate action on all your positions;
- (c) Dividends; in case where an underlying Instrument is granting dividends (equity index or stock), a cash adjustment will be made, equivalent to that paid to clients with an open position in the underlying Instrument;
- (d) Delisting/voiding of a tradable Instrument that will result in the closing of positions; It should be noted that in order to protect the Company and its Clients, the Company reserves the right, at its sole discretion, to remove and/or seize offering financial instruments, whenever the issuing corporation of such instruments has filed for bankruptcy, even if such an action does not result in the corporation's liquidation; the mere filing of a corporation for bankruptcy, is deemed sufficient indication for the Company to proceed with the immediate delisting of the relevant financial instrument.
- (e) Takeovers or mergers (including spinoffs), depending on their terms may result in a cash adjustment similar to that of dividends;

Any other event of similar nature to the aforementioned events that may have a concentrating or dilutive effect on the market value of the Instrument.
